The A Grade team are masters of the shorter version of our great game. Winning the 20/20 Grand Final and being the 2nd best performed One Day team, our young cricketers are doing the Strathdale Maristians Cricket Club proud.

### 20/ 20 Premiers!

On Tuesday 19th January, 2010, SMCC played Strathfieldsaye in the 20/20 Grand Final. Winning the toss, Linno decided to bat. Beginning well, Cam and Craig set up a good total. All the batsmen contributed and the total crept up to 140. Batting second is always difficult under lights and chasing a good score, but Strathfieldsaye started well before losing some cheap wickets. Chalks took three sensational catches and the bowlers all bowled really well, keeping the pressure on throughout. Go to our website, check out the video and pictures of the night.

A Grade were also Runners Up in the One Day competition. Well done!

The big games are coming up now so keep working hard, get into the finals and see what damage we can do!

Go Suns!

## PREMIERS!!

### ACCEPTING THE TROPHY - HEY WALSHY, CAN WE HAVE IT?

At the conclusion of the 20/20 Final, the BDCA held their presentation ceremony and announced Cam Taylor as the Man of the Match, but we had to politely ask for the trophy - Walshy forgot to give it to Linno!

Congratulations to the team on all they have achieved in the 20/20 and One Day formats. Let's go for the big one now!

## News from Around the Club

### Christmas Breakup

Our Annual Christmas breakup was a great success with many of our players and supporters enjoying a meal at the Rising Sun our major sponsor.

### Ladies Day on Bell

The Ladies Day was held at Bell Oval during the One Dayer against Eaglehawk. Two marquees were erected and made an imposing sight overlooking Bell Oval. The ladies who attended enjoyed a social afternoon with plenty of laughs and food!

## Interview with Jake

RAO: Who's quicker - you or Ben?

JD: I got a speed gun in England and tested us - I am, by 1.5 k/h!

RAO: Was Ben OK with that?

JD: This is the first he's heard of it - been keeping it from him - keeping his spirits up!

RAO: What has been the highlight of your career so far ?

JD: Well, when I was in England, I got a speed gun and measured me and Ben.....

RAO: Who used to win backyard cricket?

JD: I did. Me and auto wickie used to cream Ben - but he sooked and ran to dad and then I would have to face dad with a bodyline field! It's made me the man I am today, though!

**ANSWERS**

**How many runs if the ball is kicked over the boundary after the batsmen have run four already?**

The umpires would instruct the scorers to add 8 runs (d) to the score (and the facing batsman) as the runs they had run PLUS the boundary.

Warming up before the 20/20 game versus BUCCs.

**From the Rumour Mill**

\* The rule makers who scheduled 4 games in a row at Bell for A Grade need their heads read! That's way too many afternoon teas to bring!

\* An emergency text to John 'Percy' McPherson for a game recently bought the following response: "Sorry, I was 30 metres under water off the NE coast of Bali!"

\* One of our Aquatic friends recently tried something different with his drinking habits and somehow managed to end up in casualty!

\* Deano has signed up for the bulb promotion for next year already - he is really keen!

\* An older gent at the Riser was only going to have one more recently, but after several more

hours at the pub, Rich's presidential robes and speech were the worse for wear!

**Know Your Rules**

- a. Average the two scores,
