## PREMIERS!

### B GRADE WINS THE FLAG

B Grade, after a few tense moments when they were 7 for 70 odd made 168 mainly thanks to Rory and Fish who batted extremely well.

BUCCs were cruising at one stage until the game breaker, Joel Wharton, broke through and destroyed the batting line up.

The team finally won by about 20 runs! Congratulations to all involved!

Congratulations to B Grade as Premiers of the BDCA for 2009/10. A Grade are Runners Up in what was an epic Grand Final. We are very proud of our young guns who took it up to the older, wiser heads and only just got pipped for the Premiership. Have a look on our website for some videos and photos of the two games.

## Another Hugely Successful Year!

The Right Arm Offie has to say that the 2009/2010 season was another successful one for the Strathdale Maristians Cricket Club. A Grade missing a Premiership by a single run and B Grade winning the Grand Final makes this season a good one. All our supporters are hanging out for the A Grade team to go that one step better and take off the big one - we have a fantastic young team, a great club and the desire to be the best. Congratulations to Linno and Boppa for the way they captained their teams in this final series and the results that came their way.

Thank you to everyone at the club who has contributed to the running of the club this year. Enjoy the off season and come back bigger and better in 2010/11!

Go Suns!

Right Arm Offie.

**Interview with Richard**

**RAO:** Congrats on the win! Favourite moment?

**RAO:** Going back to the Semi Final - what were you thinking that first ball you faced?

**RM:** That it was my time to shine - it was my destiny to go whackety whack and win the game!

**RAO:** You'd lost 3 for none and you hit the first ball straight back over the bowler's head ?

**RM:** Yep, good wasn't it. I thought that my swagger was a bit more peppy after that!

**RAO:** You would have to be happy with the club and all that we have achieved in the last two years?

**RM:** Extremely, we have a great group of young blokes as well as a little experience, like my good self. That real success is coming - but so is my arthritis - See ya!

\* Howie is giving back the two mice that have been powering his knee.

Last Issue: If the scores at the end of an innings are tallied up, and the batting doesn't match the bowling, what do the scorers do?
